Hints for exhibitors

The following hints are designed to help give a few pointers to all entrants but particularly the beginners amongst you.

1. Please read all the rules carefully.
2. Remember the correct times for staging your exhibits.
3. Always check the number of exhibits required in a Class, eg. Peas (6 pods) – An incorrect number will be disqualified and the exhibitor card marked NAS (Not as Schedule). This is a common mistake and leads to disappointment for the exhibitor.
4. Always pay attention to the appearance of your exhibits. They should be clean, fresh and free from blemishes and pests. Try to display as attractively as possible. Visit other shows to see how they are presented. It is a good way to prepare and understand how your exhibit can look at its best.
5. If you do clean and prepare your exhibit, do so as gently as possible. Highly polished exhibits will be seen as “unnatural”. Exhibits with skins rubbed off will be marked down.
6. All fruits should have stalks left on and the vegetables should be trimmed and dressed as follows:
 - Onions should be dressed by tying or whipping with cotton or raffia; rings may be used.
 - Root vegetables should have at least 75mm (3ins) of tops left on.
 - Tomatoes should have stalks left on.

These tips are to set apart home grown produce from shop bought.
7. Always try to display exhibits that are similar in size and shape. They will look better and receive a more favourable decision from the judges.
8. Entering the show is meant to be **enjoyable**, and, unless you win a prize, all entries are anonymous – so you won't be embarrassed in front of your friends and neighbours.
