

One.network

<https://one.network/>

(Previously roadworks.org)

What can I use one.network for?

- Viewing information on road closures and diversions
- Receiving email notifications for closures/ restrictions in your area
- Viewing live traffic
- Traffic restrictions & Public events
- Driver information – gritting routes, speed camera
- Public transport - bus and train times
- Forward planning – notification before events/ closures confirmed
- Location of bridge restrictions

Search Bar

- The search bar can be used to find a specific location (road name, postcode)
- You can also use the drop down to change today's date to next two weeks, next three months or next twelve months. You have to create an account and log in to access this. This will show anything planned for the duration of time in the location selected
- If you want to search a specific date or date range you can do there here:

Icons

Use the key to understand what each icon means

Data Layers

Main features on the home page which you can turn on or off

Live Traffic:

This information is provided by satnavs and google

Green – running smoothly

Amber – mild congestion

Red – mild to heavy congestion

Road Closure and diversions & roadworks:

This information shows all roads closed for the timeframe chosen (top right bar)

Click on the icon  to find the notice which provides more detail on the closure

Traffic restrictions:

Shows footway closures, temporary speed limits etc, for the timeframe picked (top right bar)

Public events :

This shows all the special events in Devon, for the timeframe picked (top right bar)

Driver information:

Purple routes show gritter routes – currently getting updated
Speed camera and M5 information boards are also shown

Public transport:

Tells you times of trains and buses

Live incidents:

This can show you many things from incidents, accidents, weather incidents and floods etc

Operation Info:

-Forward planning, shows works before they have been noticed/ confirmed
-Section 58, this is when we have completed major works and want to protect our asset
- Bridge restrictions are also shown

Roadworks:

You can filter what types of roadworks you want to see eg; high impact, medium or all

What information can be seen about a traffic order on one.network?

To find out more about a traffic order click on the icon. In most cases the pop-up box will confirm dates of traffic order along with a description of the work taking place, what road is closed and the diversion.

Traffic order documents may also be attached; this provides more information and shows a written description of the diversion.

Roadworks, delays possible X

1 Oct - 30 Nov

A3015 Moor Lane, Exeter, Devon

Responsibility for these works

Devon County Council 

Information for Road Users

Location: A3015 Moor Lane, Exeter, Devon

Traffic lights, etc: Some carriageway incursion

Traffic restrictions: [Wilton Way](#)

Email Alerts

Within one.network there is an automated alert system that you can set up. This can be placed in a defined area.
An automated email can be sent daily, weekly and monthly with an update of roadworks and closures in the area you have specified.

Email Alerts

Sign up to receive email updates of upcoming roadworks, road closures and other traffic disruptions.
