

Sampford Courtenay Emergency Team Newsletter

Our response to support the community through Covid 19

Our Emergency Team has been instigated to support the parish during the Covid 19 pandemic

The details of the plan can be found on the web site via this link

Can you Help?

What we need most is firstly to identify those with need of our support. Primarily it is to ensure those self isolating can get essential supplies like food and medication. We will be seeking to support and engage with everyone across the Parish on a regular basis as the emergency unfolds but recognise that there are those, who through the Government advice, have been identified as most vulnerable due to age, an underlying health issue or because of confirmed infection with the Covid 19 virus. If you are within these groups we want to hear from you, know that you are alright and whether or not we can support you in any way?

To do that though we also need volunteers. Please if you have the time to spare, volunteer now with the link above so that we can get you signed up and introduced to those living in your area who need some support.

For the long term we want to remain engaged so let us know how we can do this? So key actions we need from residents now

Please sign up to volunteer just go to the link [http://](http://www.sampfordcourtenay-pc.gov.uk/sites/default/files/downloads/2020-03/appendix-g-questionnaire-518220644.pdf)
