Exeter City services

There are also a number of permanent changes to some Exeter City services, as well as variations to frequencies:

A Alphington – City Centre – Thornpark Rise

Will operate every 20 minutes

B, 2B City Centre – Marsh Barton - Exminster – Dawlish (2B)

Service will now operate from Exeter Bus Station to Exminster (B) or Dawlish (2B) via Alphington Road, Marsh Barton, Matford, Matford Park & Ride, Exminster, Kenton and Starcross. The section of route via Union Road to Morrisons will become part of service F1.

D University – City Centre – St Lukes – Heavitree – Digby

Will now operate between Magdalen Road and the University via City Centre, no longer serving Heavitree, Grecian Way, Pynes Hill and Digby. Revised service H2 will now serve this section of the route. As the University is closed service D is not operating.

E Exwick – St Thomas – City Centre – Prince Charles Road – Summerway/Savoy Hill

F1/F2 Exwick – St Thomas – City Centre – Stoke Hill – Lancelot Road

Services will be split to operate as E1/E2 from South Street to Exwick and F1/F2 from Sidwell Street to Lancelot Road, Savoy Hill and Summerway.

Service E1 will operate via Redhills to Exwick, returning via Farm Hill. E2 via Farm Hill, returning via Redhills. Each service will operate every 30 minutes.

Service F1 will operate via Union Road, Prince Charles Road and Lancelot Road to Savoy Hill. F2 will run via Mincinglake Road to Summerway. Both services will operate every 30 minutes.

H St Davids Station – City Centre – R.D & E Hospital – Digby

Route revised with service H1 operating via Broadfields and H2 via Pynes Hill. Will operate every 15 minutes between St Davids and the R.D & E Hospital with hourly extensions to Digby via Broadfields or Pynes Hill.

I/J Digby – Countess Wear – City Centre – Whipton – Digby circulars

K Countess Wear – City Centre – Whipton – Science Park

Service I/J routes will be unchanged. The daytime frequency will be every 30 minutes.

Service K will operate between Sidwell Street, Whipton, Tithebarn Way and the Science Park, no longer serving Whipton Barton, or extending to Countess Wear. The daytime frequency will be every 20 minutes.

L Pinhoe – Stoke Hill – City Centre – Crossmead

City Centre – Crossmead section and peak time extensions to EDF Energy are withdrawn. Daytime frequency will be every 30 minutes.

P Crossmead – City Centre – Pennsylvania

Will revert to normal timetable

R/S City Centre – Rifford Road circulars

Will operate every 30 minutes

Red Park & Ride, Honiton Road – City Centre

Will operate every 20 minutes with a revised timetable.

Green Park & Ride, Sowton – City Centre – Matford

Will operate every 20 minutes with peak time extension to Sowton reinstated.
