Any Other comments?

Thank you so much for taking the time to tell us of the issues regarding the internet and telephone services that you use. To assist in compiling a report from the analysis of this questionnaire it may be useful to speak to you again to find out more details regarding specific issues that you encounter.

We would ask if you are willing to provide contact details. However if you do not feel that you wish to do that then please just provide your postcode to assist in the research and recommendations for potential solutions in your area.
