Hall model gets wag of approval

RUBY the dog is pictured, above, with a model of Sampford Courtenay Village Hall on its first outing.

The scale model has been designed and made by local artists in support of the Village Hall Roof Appeal.

Ruby and the model both attended a fundraising Halloween Soup and Apple Pie takeaway supper which raised £350 towards the £150,000 target for repairs and replacement work on the village hall roof and windows.

The appeal is now close to the £2,000 mark thanks to donations, individual fundraising and people taking up the challenge to 'buy a tile' on the new roof, with urging from appeal mascot Roof-Us. See www.sampfordcourtenay-pc.gov.uk to find out more.
