9. **CIVILITY AND RESPECT PLEDGE** - <https://www.nalc.gov.uk/our-work/civility-and-respect-project#the-pledge>

NALC, SLCC, and OVW believe now is the time to put civility and respect at the top of the agenda and start a culture change for the local council sector.

The Civility and Respect Pledge is being introduced because there is no place for bullying, harassment and intimidation within our sector. The pledge is easy for councils to sign up for

We invite all councils to take the Civility and Respect Pledge.

Cllr Coleman proposed that SCPC should sign the above pledge; Seconded by Cllr Wilson and agreed unanimously. Cllr Coleman also asked to be notified of any associated training which he will then be able to cascade to other Councillors.

11. Parish Priorities –

- a) Dartmoor Line – Sampford Courtenay Station <https://www.dartmoor-railway-sa.org/> -
 - i) OkeRail Meeting report. – Cllr Wilson reported that the application for Levelling Up funding is still ongoing & that WDBC & DCC would not re-submit planning applications for the new Parkway Station until funding had been secured. Cllr Coleman advised that Planning was not necessary for Railway applications. Cllr Wilson will mention this at the next OkeRail meeting.
 - ii) Request stops now being made at Newton St Cyres – SCPC Dartmoor Line group to chase up the feasibility study for similar request stops at SC Station.
 - iii) Volunteers have completed another tidy up at the Station.
 - iv) Application to GWR Community Fund unsuccessful
- b) Refurbishment of the Public Toilets – Cllr Carpenter – external refurbishment of roof, doors, windows and rendering have now been completed. Cllr Coleman congratulated Cllr Carpenter on work so far. He said “The outcome represents a significant enhancement, presents a favourable impression of the Parish particularly visitors. Although re-stated his position that he did not agree to the money being spent in the phased approach agreed by the Council”

- i) New furniture and signs have been obtained and will be fitted as soon as the interior has been re-painted. (Work party to be arranged)
- ii) Cllr Coleman reiterated his concerns regarding Professional Indemnity Insurance for the works carried out; however, Cllr Wilson reassured councillors and parishioners that the advice Cllr Coleman was quoting was from a completely different project in 2017, from our previous Insurers. Our current Insurers have been fully informed of all work that has been undertaken and confirmed SCPC is fully covered. Advice from DALC confirms the same.

- c) **Safer Roads – Cllr J Palmer Community Speed Watch Update** – more speed watch sessions planned for this month.
- d) **SCEnSus - (see SCEnSus Minutes for full details)**
- e) Oct 1st – Octobefest Event – Fund Raising for future projects
- f) Oct 21st – Recycle Fashion Show – SCEnSus event to promote recycling and fund raise for future projects
- g) Oct 22nd – SCEnSus Coffee Morning – continuing the Recycle Theme and fund raising.
- h) Village Hall – Cllr P Collins –
 - i) Public Toilet Electricity – the Village Hall Trustees are currently consulting with their own Insurers regarding this matter.

i) **Broadband/Mobile**– Cllr M Morrissey –

a) Update

1. Survey work by Airband continues in the village
2. Sampford Chapple and The Beeches and surrounding area have been successfully surveyed and submitted for fibre installation to Airband.
3. The timescale for installation is not confirmed but should be this year. In 2021 Airband said installation in the village would be July to September so they may be roughly on track
- 4 The Parish Council will continue to push through WDBC for "missing" areas of the Parish to be addressed. We do know that there is a vacancy for Airband liaison person on the project which may not be helpful
5. If any parishioner receives further information, it will be gratefully received.

b) Possible use of Village Hall Broadband – Cllr Morrissey is concerned that in the current economic climate some parishioners may be forced to give up their own Broadband/Mobile contracts, and he would like to liaise with the Village Hall Trustees to see if a Community scheme could be set up to allow such parishioners to use the Free Broadband at the Village Hall. If any parishioner feel they would make use of such a facility, please contact the Clerk, so that we can gauge the viability of such a scheme. A full costs proposal is to be prepared to discuss with the Trustees of the Village Hall.

j) **Footpaths/ P3** – Cllr M Carpenter – £8,000 P3 money been awarded to SCPC to continue up-grades and maintenance of the parish footpaths. DCC has suggested that P3 money may not be available in coming years, therefore, our current Footpath priorities need to be readdressed.

12. **Village Green Report** – Cllr J Friend (circulated to Councillors) – no issues to report

13. **Finance** - approve following payments and transfers.

a) Reconciliation of Cash Spread sheet with Bank Statements. Approved

b) Ear marked Reserves up-date – it was agreed that the transfers agreed in the budget should be made on receipt on the 2nd Precept payment.

c) Unity Corporate Multipay Card – still to be actioned

d) Jubilee Mugs account sheet. – the Clerk has a few unclaimed mugs if anyone still wishes to purchase one at £6 each

e) Cllr Coleman proposal - to ascertain whether Fellow Councillors are empathetic to the difficulties some Parishioners may be experiencing and should consider a partial refund of the Parish Precept and sought a Secunder.

There was no secunder. Proposal dismissed

Cllr Morrissey – said that he would not second this proposal as it does not target need. He would prefer SCPC to consider practical ways to help parishioners in need as per Items 8 and 11 f b above; and Items 15 c and 15 f below.

Cllr Coleman stated that he would consult further on his proposal by sending a letter to all households in the parish.

Chair M Wilson, asked that any such letter should not intimate that it comes from the Parish Council, but merely from Colin Coleman as a private initiative.
