Risk Assessment is a systematic general examination of working practices, conditions and policies that will enable the Parish Council to identify any and all potential inherent risks. This document has been produced to enable Sampford Courtenay Parish Council to assess the financial risks it faces and satisfy itself that it has taken adequate steps to minimise them. Based on a recorded assessment, the Parish Council will take all practical and necessary steps to reduce or eliminate risks insofar as is practically possible. *M S Pratt* **Marion Pratt, Clerk & RFO March 2023**
