

TUDOR COSTUMES FOR SAMPFORD COURTENAY 475TH PRAYER BOOK REBELLION EVENTS.

The Tudors

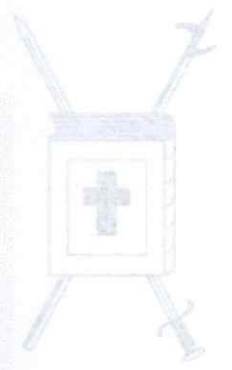

To look like a traditional Tudor boy, simply start with long football socks tucked over three-quarter or full length trousers with a collarless 'Grandad' style shirt and waistcoat for the top half. Add a dark coloured hat with floppy wide brim.

For a more feminine look use a long plain dark skirt and plain pale long sleeved top; a long pinafore dress over a plain top is even better. Mock laces could be sewn on to the dress as well; at the back for a rich lady or on the front for a poor lady. For a hat, take an Alice band and fasten on a piece of cloth to cover the hair
