Dear Sir/Madam

I wish to give you advance notice of works which may affect access to your property. National Grid will be carrying out essential works which require the closure of some local roads for safety reasons. I would like to apologise for any inconvenience that this may cause.

We will do our best to carry out our works in the shortest possible timescale and to keep any inconvenience to a minimum.

During the period of Monday 19th October – Friday 6th November 2026 the following road will be closed:

1 – NEW INN TO OLD RECTORY
The diversion route will be from

Clockwise – RECTORY HILL, ROAD FROM SOLLAND CROSS TO STONEWOLD, ROAD FROM EXBOURNE CROSS TO SOLLAND CROSS, ROAD FROM EXBOURNE CROSS TO JACOBSTOWE BRIDGE, ROAD FROM STILE FARM TO MILL LEAT, ROAD PAST BEECH LODGE, ROAD FROM TEACHMORE FARM TO LAMERTON CROSS, ROAD FROM LAMERTON CROSS TO FOLLY GATE CROSS, ROAD FROM FOLLY GATE CROSS TO ELMEAD CROSS, NARRATONS ROAD, ROAD FROM FOWLEY CROSS TO BEACON DOWN CROSS, ROAD FROM BOWERLAND CROSS TO FOWLEY CROSS, ROAD FROM BOWERLAND CROSS TO HIGHWAYMAN INN, ROAD FROM SOURTON DOWN TO STOCKLEY HAMLET, A30, OVERPASS FROM EXETER ROAD TO WHIDDON DOWN JUNCTION, EXETER ROAD, ROAD FROM BRANDIS CROSS TO EXETER ROAD, ROAD FROM SOUTH LANGATON BRIDGE TO BRANDIS CROSS, ROAD FROM TWO POST CROSS TO SOUTH LANGATON BRIDGE, ROAD FROM OAKLANDS FARM TO LANGDOWN FARM, ROAD FROM OAKLANDS FARM TO ITTON CROSS, ROAD FROM DE BATHE CROSS TO ITTON CROSS, ROAD FROM NEWLAND CROSS TO DE BATHE CROSS, ROAD FROM SPIRES CROSS TO NEWLAND CROSS, ROAD FROM GREENHILL CROSS TO SPIRES CROSS, ROAD FROM SAMPFORD CROSS TO GREENHILL CROSS (Vice versa)

2 – NEW INN TO ROSE COTTAGE
The diversion route will be from

Clockwise – RECTORY HILL, ROAD FROM DARTMOOR VIEW TO REDPOST CROSS, ROAD FROM LANGDALE TO REDPOST CROSS, ROAD FROM NEW INN TO WEIRFORD HOUSE (Vice Versa)

I am including a visual map of the diversion routes to help understand the very lengthy diversion route description above.

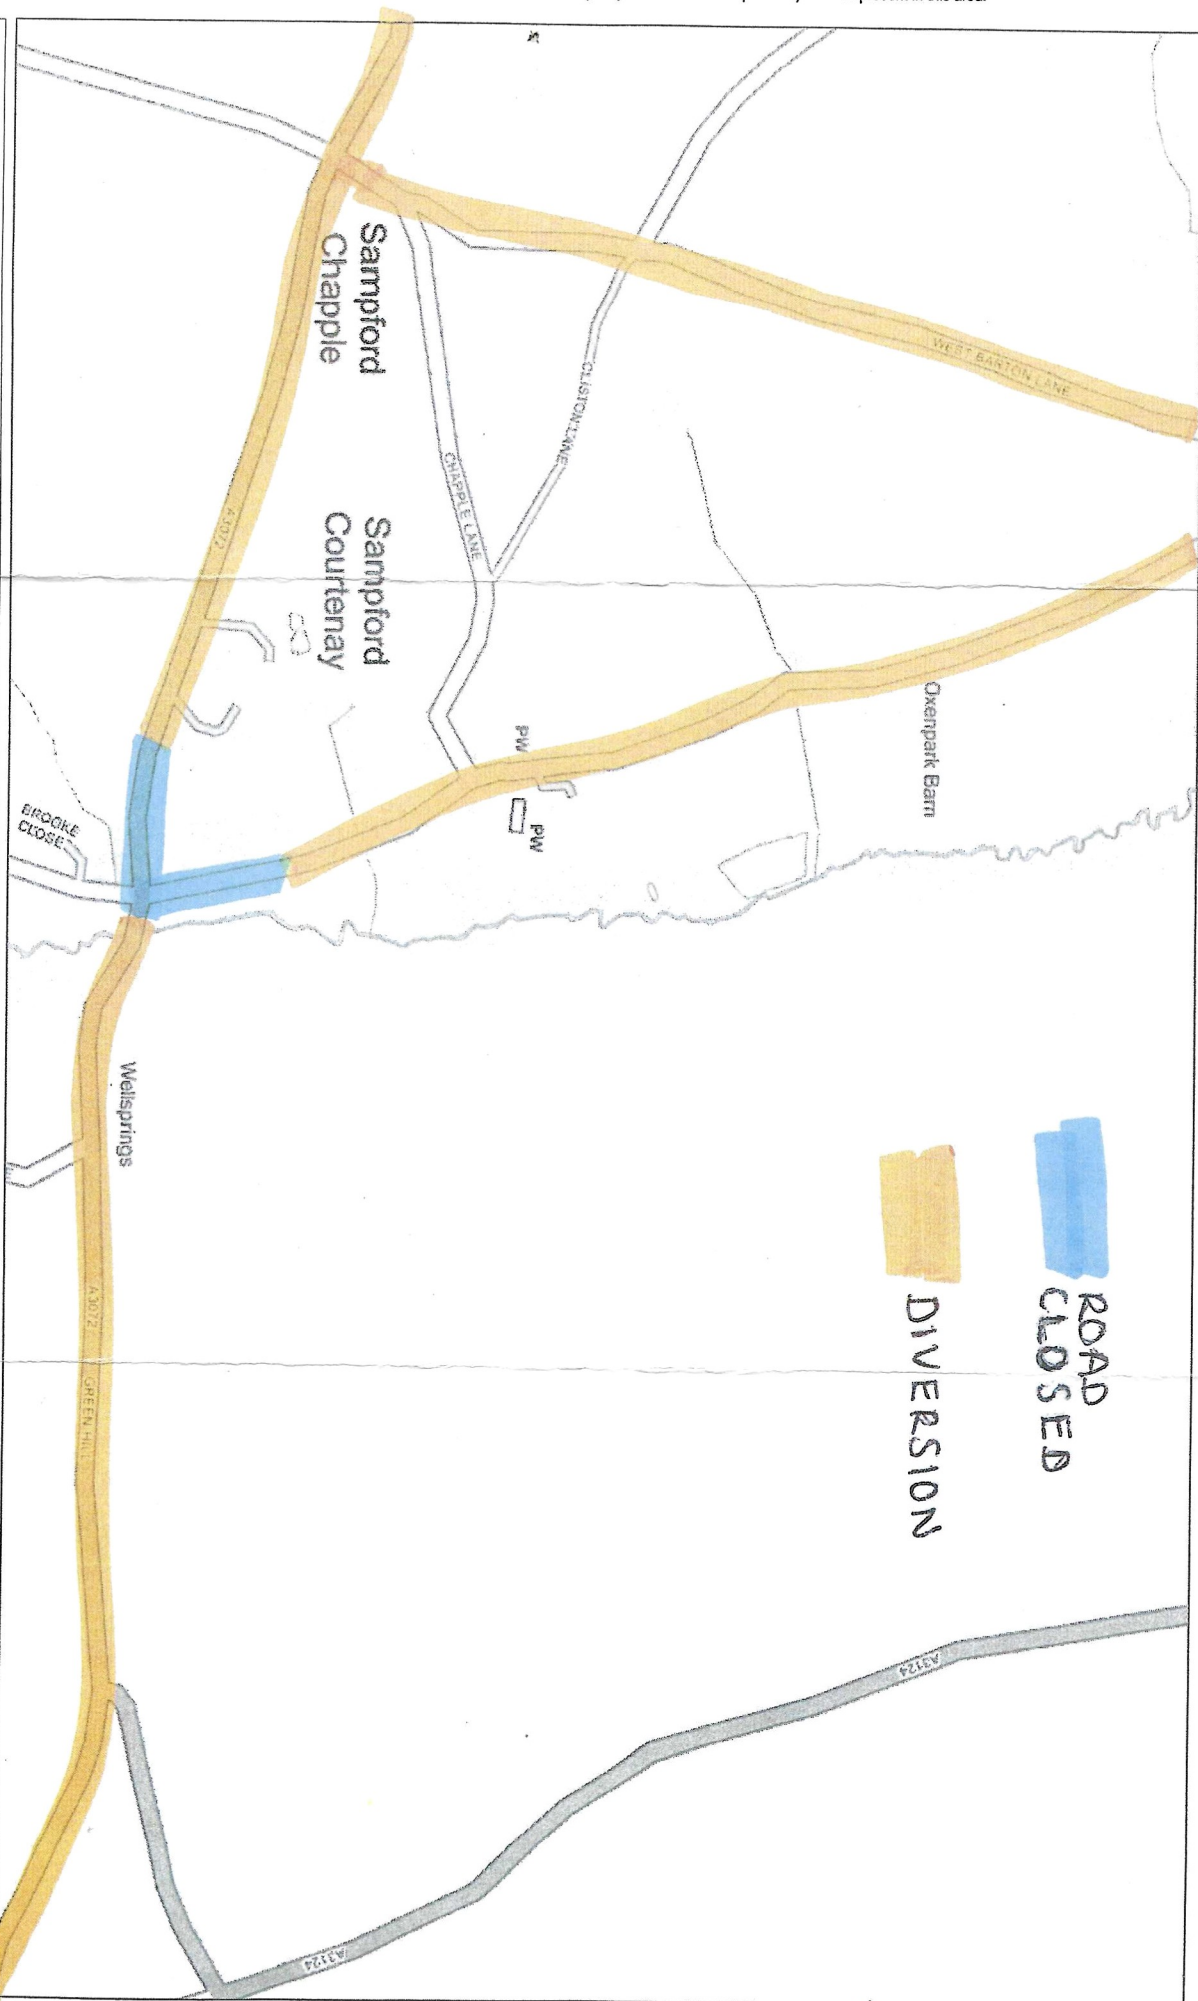

The work we are carrying out is to underground and unloop the electricity cables feeding the properties along this narrow stretch of road. The work requires our contractors to dig a trench along and across both of these sections of road. Unfortunately the width of the road is too narrow to work on half whilst keeping the other half open. Hence why we need to close the road.

A separate letter will be sent to those who will be affected by the power outage.

Once again, my apologies for the inconvenience this may cause. If you have any concerns over the impact of these works please contact me.

Yours faithfully
Tom Haigh
Exeter South Linesperson
